

# Teaching

Konrad Miotliński

August 2025

- **Coordinator and lecturer** at the University of Western Australia (2025)  
– Engineering Hydrology (ENVE3402/4402)
- **Lecturer** at the University of Western Australia (2024–present) – Groundwater Hydrochemistry (GEOS5511)
- **Coordinator and lecturer (on-line)** at Federal University of Santa Catarina (2020) – Groundwater Pollution and Protection (ENS0505)
- **Coordinator and lecturer** at Federal University of Santa Catarina (2017–2020) – Global Environmental Change (ENS0507)
- **Coordinator and lecturer** at Federal University of Santa Catarina (2017–2020) – Water Quality Modelling (ENS5118)
- **Coordinator and lecturer** at Federal University of Santa Catarina (2018–2020) – Python for Environmental Applications (ENS410064)
- **Coordinator and lecturer** at Federal University of Santa Catarina (2018–2020) – Sustainable Energy (ENS7000)
- **Coordinator and lecturer** at Federal University of Santa Catarina (2017–2020) – Groundwater and Soil Contamination (ENS7028)
- **Teacher** at University of Silesia (2006–2008) – Hydrogeological Modelling
- **Teacher** at University of Silesia (2002–2008) – Hydrogeology
- **Teacher** at University of Silesia (2002–2008) – Hydrogeology and Geological Attendance of Drillings (field course)
